

UNITED STATES NAVY

MEDICAL NEWS LETTER

Rear Admiral Bartholomew W. Hogan MC USN - Surgeon General
Captain Leslie B. Marshall MC USN (RET) - Editor

INDEX

Volume 33, Numbers 1 - 12
2 January through 19 June 1959

- ABC WARFARE DEFENSE, training in for Medical officers, 12:20
- Abortion problem, 10:2
- Abscess, pulmonary, a study of 70 cases, 10:11
- Accident reconstruction, pulmonary bone marrow embolism, 4:32
- Accreditation for attending professional meetings, Reserve, 6:30
- ACTH of adrenocortical steroid therapy of proteinuria in adolescents and adults, 12:12
- ADA
1959 Centennial, 1:30
Journal, articles by Navy Dental officers, 7:29
Relief Fund, 2:35
- Address, mailing, Reserve, 7:32
- Adult, acute rheumatic fever in, 9:9
- Aero Medical Association meeting, 1959, 3:34, 4:38
- Aerospace Medical Association meeting, 12:39
- Air pollution, menace to public health, 7:21
- Alcohol, effect of on risk taking in driving, 3:39
- "Alice Hamilton, M.D.", 5:22,
- AMA annual meeting, 1959, 7:31
- Anesthetic
difficulties, 4:23
newly standardized, 6:28
- Anthropometric data (Navy pilots), 4:33
- Antibiotic
era, bacterial endocarditis in, 12:8
therapy, clinical application of available agents, 6:2
- Arctic testing of U.S. Navy's Mark IV Full Pressure Suit, 12:31
- Artificial respiration without adjunct equipment, 7:37
- Asian influenza A in Boston, 1957 - 1958, 10:9
- Asthma, cardiac, 2:10
- Atomic flash, burns produced by, blindness and chorio-retinal, 4:30
- Atrial septal defect, 5:19
- Aviation
physiology training and indoctrination, 8:39
prescription sunglasses, 6:22
seminar, Reserve training in problems of modern warfare, 2:29
toxicology, Teflon, 4:39
- BACTERIAL endocarditis in the antibiotic era with reference to later complications, 12:8
- Bacteriology courses at Naval Medical School, 3:28
- BCG vaccination, community trials of, 5:35
- Beryllium
and berylliosis, 2:23
disease, patch test diagnosis of, 9:31
machining, 9:28
poisoning, chelating agents in therapy of, 10:19
- Biopsy, percutaneous renal biopsy, clinical use of, 11:11
- Bladder, traumatic paraplegia, management of, 11:14
- Blindness, flash and chorioretinal burns produced by atomic flash, 4:30
- Blood
bank and flight nursing courses, 1:22
bank, walking, record of blood types with names of persons aboard ship, 4:39
lead analyses, evaluation of, 11:31
leukemia, acute granulocytic in pregnancy, 7:12
- Blood (continued)
preparation of separated red cells in utilization of, 1:3
pseudomonas septicemia, 3:9
Rh factor, obstetrical viewpoints, 9:19
- Board Certifications, 2:29, 4:23, 6:28 (Dental) 8:21, 10:25 (Dental)
examinations, obstetrics and gynecology, 10:23
- Boat trailing, basic facts for, 10:34
- Bone
fractures of the shaft of the tibia, clinical and experimental study, 12:2
osteoporosis in the elderly patient, 5:8
parosteal osteoma, treatment of, 11:16
- Books, gifts of requested for Edward R. Stitt Library, Naval Medical School, 12:23
- Bowel obstruction, acute, study of patients with carcinoma of colon, 8:13
- Brain, spontaneous strokes in the young, 1:10
- Breast, castration in carcinoma of, prophylactic, 8:16
- Bronchogenic carcinoma, importance of cell type, 2:4
- Burns, chorioretinal, and blindness produced by atomic flash, 4:30
- CAA now FAA, 4:39
- Cadmium poisoning, 11:33
- Caisson disease or diving accident, NavMed-816, 8:23
- Cancer
bowel obstruction, 8:13
breast, castration in, prophylactic, 8:16
bronchogenic, importance of cell type, 2:4
head and neck, in childhood, 12:6
salivary gland tumors, treatment, management, and results, 3:17
testicular tumors, treatment of, 9:12
thyroid gland, papillary, 3:14
tuberculosis of the lung, 6:15
- Cardiology
asthma, 2:10
atrial septal defect, 5:19
digitalis intoxication, clinical report of 148 cases, 11:19
endocarditis, bacterial, in antibiotic era, 12:8
endocarditis, pneumotoccal, 2:2
post-myocardial-infarction syndrome, 4:11
systolic clicks, clinical, phonocardiographic, and hemodynamic evaluation, 3:6
- Cardiovascular pathology seminar, AFIP, 5:33
- Casualties in diving, 1:26
- Cataracts and ultra high frequency radiation, 2:25
- Cavity preparation, high-speed, 12:27
- Chemotherapy of tuberculosis, 3:11
- Chelating agents in therapy of beryllium poisoning, 10:19
- Chlorothiazide, clinical experience with, untoward responses, 1:12
- Cholecystitis, acute, 5:15
- Chromium toxicity, 9:34
- Circulation, venous thrombosis, 2:12
- "To Comfort Always", 4:19
- Commandants representatives, seminar for, 12:30
- Community trials of BCG vaccination, 5:35
- Correspondence courses, available to Reservists, 11:27

Note: Figures indicate Number and Page in Volume 33. For example, ABC WARFARE DEFENSE, training in, for Medical officers, 12:20, indicates that this item may be found in Vol. 33, No. 12, Page 20.

- Cystic disease, pulmonary, observations of cases treated by exploratory thoracotomy, 8:9
- DDT
and DDE, storage of in people, 5:38
resistance in the human body louse, 2:37
- Deep Freeze V, 1959 - 1961, Medical officers and Flight Surgeons needed, 6:23
- Dental
care, calendar year 1958 (Navy), 6:27
Corps featured in J. Oral Surg., January 1959, 2:34
Corps professional notes, 1:32
instruction, officers selected for long courses, 8:26
malpractice suits, 6:27
NDS closed circuit TV presents dental meeting, 1:30
officer receives citation (Lebanon military operation, 1958), 1:31
officer strength down, procedures up, 11:26
officers and submission of essays or clinics before organization or meeting, information required for, 2:35
reenlistments, dental technicians, 8:27
research conference, third annual, 5:29
standards for women, 8:27
technician training, applicants desired, 3:34
x-ray apparatus, modification of, 9:25
- Dentist-Population ratios in various countries, 10:25
- Dentistry
cutting procedures, evaluation of National Bureau of Standards Progress Report No. 6326, 10:24
high-speed cavity preparation, 12:27
mouth preparation for removable partial dentures, 3:33
new endodontics training films, 4:25
repair contract for high-speed equipment, 5:32
silver amalgam, 7:28
- Dermatitis
industrial, recurrent and prolonged, 2:27
occupational, 6:35
- Digitalis intoxication, clinical report on 148 cases, 11:19
- Diseases, infectious and noninfectious, preventive medicine in, 10:28
- Dishwashing machine operation aboard ship, 10:36
- Diving
casualties, recent, 1:26
doctors, sport, 3:31
medicine, two cases, 3:32
new look at helium-oxygen, 1:29
What Price Folly? 5:31
- Driver's responsibility before and after automobile accident, 1:38
- Drugs for treatment of hypertension, 5:3
- Duty assignments, appropriate for Reservists, 6:29
- EAR, HUMAN, invasions by adult scarabaeid beetles, 5:37
- Ecologic investigations of relationship between illness, life experiences, and social environment, 3:3
- Elderly patient, osteoporosis in, 5:8
- Embolism
pulmonary, bone-marrow, in accident reconstruction, 4:32
pulmonary, roentgen diagnosis of, 5:10
- Emotional disorders of pregnancy, 12:14
- Encephalitis, mosquito-borne in the U.S., 7:33
- Encephalomyelitis, equine, western, virus susceptibility of garter snakes to, 7:34
- Endocarditis
bacterial in antibiotic era with reference to later
- Endocarditis (continued)
complications, 12:8
pneumococcal, 2:2
- Endodontics training films, new, NDS, 4:25
- Entomology, two weeks course in military, 10:26
- Environmental sanitation courses for MSW officers, 11:23
- Epidemiologic venereal disease report, PHS, 10:34
- Epidemiology
biochemical investigations on DDT resistance in the human body louse, 2:39
biological control, probable, of schistosomiasis mansoni, 7:35
Community trials of BCG vaccination, 5:35
encephalomyelitis virus, susceptibility of garter snakes to, western equine, 7:34
four-in-one antigen, new, 10:34
gamma globulins and their clinical significance, therapeutic uses of, 4:2
influenza in Boston, Asian A, 1957 - 1958, 10:9
mosquito-borne encephalitis, 7:33
pest control, convening dates for courses, 4:29
photofluorography in tuberculosis control, 4:8
poliomyelitis, report of HEW on 1958 season, 1:35
resistance of beta-hemolytic streptococci to tetracycline, 3:38
salmonella in children's wards, 10:31
staphylococcal disease in infants and children, 9:3
staphylococcal disease, selected reprints on, 10:31
venereal diseases today, 10:6
- Epoxy resin operation, health hazards and control of, 5:23
- Errors in diagnosis of plumbism, 11:30
- Esophagus, varices, pituitrin for bleeding of, 4:15
- Essayists and clinicians, information required from, 2:35
- Examinations, screening of, conference on, Association of Teachers of Preventive Medicine, October 1958, 1:21
- FIBROSIS, periureteric, radiographic diagnosis, 7:14
- Financial aid requested for Philippine Dental Assn., 12:27
- Flight
nursing and blood bank courses, 1:22
surgeons, attention: Forms 3750-8, -8A, -8B, -8C, -8D, -8E, Report of Aircraft accident, incident, ground accident, instructions for use, 6:22
surgeons squadron, utilization of, 4:36
time, annual minimum requirements for flight surgeons, 4:40
- Fractures
multiple, early care of patient with, 3:22
tibia, the shaft of, 12:2
- Full Pressure Suit program, status of Navy training in, 8:30
- Functions of the Medical Department, U.S.N., course in, 6:29
- GALLBLADDER, Acute cholecystitis, 5:15
- Gamma globulins and their clinical significance, therapeutic uses of, 3:2
- Gas, poisonous, Teflon, aviation toxicology, 4:39
- General sanitation, dishwashing machine operation aboard ship, 10:36
- Geriatrics, osteoporosis in the elderly patient, 5:8
- Glasses, sun, prescription aviation, 6:22
- Glaucoma, chronic, simple, early diagnosis of, 6:8
- Golf, benefits of, 10:38
- Granulocytic leukemia in pregnancy, acute, report of four cases, prednisone in one, 7:12
- Gynecology, benign diseases of uterine fundus, 2:12

- HEAD and NECK, malignant disease of childhood, 12:6
- Health hazards (Aviation Medicine), 8:38
- Health hazards and control of epoxy resin operation, 5:23
- Heat stress in tropical climates, 11:35
- Helium-oxygen diving, new look at, 1:29
- Hernia
femoral, strangulated, review of 170 cases, 4:17
repair of, synthetic mesh in, 5:17
- High-speed cavity preparation, 12:27
- Historical Fund of the Navy Medical Department, 1:2,
3:2, 5:2, 7:2, 9:2, 11:2
- Human quality control in Naval air training, 12:33
- Hypercalcemia, idiopathic, (British), 4:13
- Hypertension
benign, 12:10
essential, prognosis in, 8:4
new drugs for treatment of, 5:3
- INFARCTION, myocardial, post-infarction syndrome,
4:11
- Infection
pseudomonas, septicemia, 3:9
salmonella, in children's wards, 10:31
staphylococcal pneumonia, clinical evaluation of
40 cases, 11:21
- Influenza, Asian A in Boston, 1957 - 1958, 10:9
- Illness, life experiences and social environment ecologic
investigations or the relationship between, 3:3
- Injuries
eye, in children, 6:10
nerve, peripheral, treatment of, 1:16
- IN MEMORIAM, 2:31, 7:23, 11:24
- Insects and insect control, military entomology, course
in, 10:26
- Insects and insecticides
convening dates for pest control courses, 4:29
human ear invasion by adult scarabaeid beetles, 5:37
pest control course, convening dates of, 2:28
- Instructions, BuMed
6260.6A - Hearing conservation program, 4:25
6162.11B - Physical qualification certification by
Federal Aviation Agency of Navy, Marine
Corps, and Coast Guard personnel, 4:26
5711.1 - Disposition by medical installations of
Allied patients, 4:26
6250.7 - Deratting exemption certificates, 7:27
6220.2 - Poliomyelitis, 8:25
6200.9A - Vector, control centers, U.S. Navy, 12:25
1550 - War Emergency Surgery, Reserve specialist
Units curriculum, 12:26
- Internal audit reports, processing of, 12:26
- Internal medicine and nutrition, 1:6
- Intracranial meningiomas, 9:15
- JOINT DISEASE and the patella, degenerative, 2:18
- KIDNEY
adrenocortical steroid therapy, 12:12
percutaneous renal biopsy, clinical use of, 11:11
treatment of acute renal failure, 8:6
- LABELS on germ-fighting chemicals, U.S. Dept. of Agric-
ulture, 1:36
- Larynx, trauma and complications, 10:16
- Lead
analyses, blood, evaluation of, 11:31
poisoning, chronic, review of 7 years experience
at Children's Hospital, D.C., 8:2
- Lead (continued)
poisoning, common errors in diagnosis of plumbism,
11:30
- Leukemia, granulocytic in pregnancy, acute, 7:12
- Ligation of the inferior vena cava, pregnancy after, 10:7
- Liquid oxygen, specification on, aviator's breath-q, 8:34
- Lung
abscess, study of 70 cases, 10:11
amoebiasis, broncho-pulmonary, 2:19
cystic disease, observations of cases treated by
respiratory thoracotomy, 8:9
embolism, roentgeography in diagnosis of pulmonary
5:10
embolism, bone marrow, in accident reconstruction,
4:32
function in bilateral resection, 10:14
infiltration, 2:7
resection, segmental, for pulmonary tuberculosis,
335 cases, 8:11
- MALPRACTICE suits, 6:27
- Mass casualties, management of courses available to
Medical officers, 9:20
- Medical
intelligence reports (Med-3820-1), 7:25, 9:21, 11:24
military training for Reserves, 4:28
problems of modern warfare and civil disaster, 6:3
symposiums for fiscal year 1960 MWMS, 11:23
- Medicine, preventive, wanted: practice of, 3:25
- Meningiomas, intracranial, roentgen study of 126 cases, 9:15
- Mesh, synthetic, repair of hernias and tissue defects, 5:17
- Military
entomology, two weeks course in, 10:26
pediatrics, 6:21
- Missile operations, medical aspects of courses in, 12:19
- Mosquito-borne encephalitis in the U.S., 7:33
- Motor vehicle accidents
alcohol, effect of on risk taking in driving, study
in England, 3:39
driver's responsibility before and after accident,
1:38
right to drive, 4:22
- Motor vehicle traffic safety course, Navy's 7:40
- Mouth preparation for removable partial dentures, 3:33
- Mutual Aid Association, new officers, membership, 6:23
- NATIONAL Health Forum, report on the 1959 "Health
of People Who Work", 9:37
- Naval Reserve Medal, information concerning, 10:26
- Nerve
peripheral injuries, treatment of, 1:16
tic douloureux, 6:13
- Noise
exposure, hazards of, 6:38
Is it a health problem? 2:27
- Note Book, from the, 1:24, 2:30, 3:29, 4:20, 5:27, 6:19,
7:24, 8:18, 9:19, 10:21, 11:25, 12:21
- Notices, BuMed
5360 - Decedent affairs manual, 1:25
1306 - hospital corpsmen, availability, training, etc.
8:25
6320 - Dependents medical care in civilian facilities
outside jurisdiction of executive agent, 8:25
- Nuclear
power program (submarine), 3:31
submarine medicine program opportunities in, 8:22
- Nursing, convention of National League for, 5:34
- Nutrition in internal medicine, 1:6

OBSTETRICS

- abortion problem, the, 10:2
- emotional disorders of pregnancy, 12:14
- leukemia in pregnancy, 7:12
- obstetrical viewpoints upon the Rh factor, 9:17
- placenta previa, conservative management of, 5:12
- pregnancy, ectopic, 7:9
- pregnancy after ligation of the inferior vena cava, 10:7
- rubella during pregnancy, 5:5
- Obstetrics and Gynecology, American Board examinations, Part II, 7:26
- Occupational health highlights - American Public Health Association's meeting, October 1959, 1:19
- Occupational medicine
 - air pollution, menace to public health, 7:21
 - American Academy of Medicine, meeting, 6:31
 - American Public Health Association, 1:19
 - beryllium, machining of, 9:28
 - blood lead analyses, 11:31
 - cadmium poisoning, 11:31
 - chelating agents in therapy of beryllium poisoning, 10:19
 - chromium toxicity, 9:34
 - Dr. Alice Hamilton, 5:22
 - errors in diagnosis of plumbism, 11:30
 - health hazards, epoxy resin operation, 5:23
 - health hazards, (Aviation Medicine), 8:38
 - industrial dermatitis, prolonged and recurrent, 2:27
 - Industrial Health Conference, 1959, 6:34
 - National Health Forum, report on, 1959, Chicago, Ill. 9:37
 - noise, is it a health problem? 2:27
 - patch test diagnosis of beryllium disease, 9:31
 - storage of DDT and DDE in people, 5:38
 - Teflon (tetrafluoroethylene resin), 2:21
 - void spaces, deaths due to entering, 5:26
- Ophthalmology
 - cataracts and ultra high frequency radiation, 2:25
 - glasses, sun, aviation prescription for, 6:22
 - glaucoma, early diagnosis of chronic simple, 6:8
 - injuries, eye, in children, 6:10
 - pathology, postgraduate course in, 1:33
 - pressure, intraocular, 8:37
 - trachoma in Northern Australia, 12:17
- Optometric Assn. American meeting of 1959, 7:32
- Oral Surgery, Journal in, Armed Forces and Public Health Section (Navy officer personnel), 6:27
- Osteoma, bone, parosteal, treatment of, 11:16
- Osteoporosis in the elderly patient, 5:8
- Otolaryngology
 - hazards of noise exposure, 6:38
 - noise, is it a health problem? 2:27
- PARAPLEGIA, bladder, traumatic, management of, 11:14
- Parasitology
 - course in, U.S. Naval Medical School, 3:28
 - symposium on lesser known diseases common to man and animals, parasitic infestations, etc. 3:38
 - trichinosis in the United States, 6:17
- Patch test, diagnosis of beryllium disease, 9:31
- Patella, in degenerative joint disease, 2:18
- Pathology, Armed Forces Institute of, ophthalmic course in, 1:33
- Pediatrics
 - four-in-one antigen, new, 10:34
 - hypercalcemia, idiopathic, 4:13
 - malignant disease of the head and neck, 12:6
 - military, 6:21

Pediatrics (continued)

- salmonella infections in children's wards, 10:31
- staphylococcal disease in infants and children, management of, 9:3
- Peer ratings (Aviation Medicine), 12:35
- Personnel assignments, Office of Director, MSC, 7:26
- Pest
 - control course, convening dates of, 2:28, 4:29
 - control, shipboard, new training film, 10:23
- Pests and pesticides, DDT resistance in the human body louse, 2:37
- Philippine Dental Assn. requests financial aid, 12:27
- Photofluorography, in tuberculosis control, 4:8
- Physical evaluation procedure (Aviation Medicine), 12:31
- Pituitrin for bleeding esophageal varices, 4:15
- Placenta previa, conservative management of, 5:12
- Plumbism, common errors in diagnosis of, 11:30
- Pneumococcus, endocarditis, 2:2
- Pneumectomy, in pulmonary tuberculosis, 1:15
- Pneumonia, staphylococcal, clinical evaluation of 40 cases, 11:21
- Poisoning
 - beryllium and berylliosis, 2:23
 - beryllium, chelating agents in therapy of, 10:19
 - cadmium, 11:31
 - chromium, toxicity, 9:34
 - gas, Teflon, aviation toxicology, 4:39
 - lead, blood analyses, evaluation of, 11:31
 - lead, chronic, 7 years' experience at Children's Hospital, D.C., 8:2
 - lead, diagnosis, common errors in, 11:30
- Poliomyelitis, status of fight against, report to Secretary, HEW, 1958, 1:35
- Pregnancy
 - ectopic, 7:9
 - emotional disorders of, 12:14
 - leukemia, acute granulocytic report of 4 cases with apparent acceleration by prednisone in one, 7:12
 - ligation of the inferior vena cava, after, 10:7
 - rubella during, 5:5
- Preventive medicine
 - infectious and noninfectious diseases in, 10:28
 - practice of, wanted, 3:25
- Promotion point credit for residency training, 2:37
- Pseudomonas, septicemia, 3:9
- Public health, air pollution, a menace to, 7:21
- RADIATION, ultra high frequency, cataracts, 2:25
- Radioisotopes, in medicine, NavPers 10773, 1:33
- Radiology
 - diagnosis, fibrosis, periureteric, 7:14
 - diagnosis, embolism, pulmonary, 5:10
 - malignant, testicular, treatment, tumors, at Norwegian Radium Hospital, 9:12
 - study, intracranial meningiomas, 126 cases, 9:15
- Red cells, separated, preparation of in utilization of blood, 1:3
- Rehabilitation, medical (WHO) committee on, 7:18
- Release, early, from active duty for Reserve Medical officers, 6:26
- Repair
 - contract for high-speed equipment, 5:32, 11:26
 - contract with Midwest Dental Mfg. Co., nonadherence to, 11:26
- Reprints, selected, on staphylococcal disease, 10:31
- Research
 - reports, recent, 2:32, 4:24, 6:24, 8:23, 12:23
 - Unit No. 2, information indicating work of, 10:39

Resection

pulmonary, bilateral, function in, 10:14
segmental, for pulmonary tuberculosis, analysis of 335 cases, 8:11

Reserve

accreditation for attending professional meetings, 6:30
appointments, direct in MSC, 12:21
duty assignments, appropriate, 6:29
officers as commandants' representatives, 12:29
retirement points and statements of satisfactory service for enlisted, 5:33
standby, DOD Directive No. 1235.9, concerning policies of management and mobilization of, 9:26

Respiration, artificial, without adjunct equipment, 7:37
Retired officers and subscriptions to the Medical News Letter, 9:40

Rh factor, obstetrical viewpoints on, 9:17

Rheumatic fever, acute, in the adult, clinical and laboratory manifestations in 30 patients, 9:9

Right to Drive (J. Edgar Hoover, Home and Highway), 4:22
Rubella, during pregnancy, 5:5

SAFETY

beryllium and berylliosis, 2:23
boat trailing, basic facts for, 10:34
diving medicine, 2 cases, 3:32
flash blindness and chorioretinal burns produced by atomic flash, 4:30
health hazards, aviation, 8:38
health hazards and control of epoxy resin operation, 5:23
labels on germ-fighting chemicals, U.S. Dept of Agriculture, 1:36
medical problems of modern warfare and civil disaster 7:3
Navy's motor vehicle traffic safety course, 7:40
noise exposure, hazards of, 6:38
noise, is it a health problem? 2:27
right to drive, 4:22
Teflon (tetrafluoroethylene resin), 2:21
void spaces, deaths due to entering, 5:26
what price folly? (diving), 5:31

Salivary gland, tumors, management and results, 3:17

Salmonella, infections in children's wards, 10:31

Schistosomiasis mansoni, probable biological control of 7:35

Scleroderma, treatment of, 7:16

Septicemia, pseudomonas, observations on 23 cases, 3:9

Shipboard pest control, new training film, 10:23

Silver amalgam, 7:28

Skin problems, occupational, 6:35

Snakebite, poisonous, effects of repeated, 9:6

Snakes, garter, susceptibility of to Western equine encephalomyelitis virus, 7:34

Squadron, flight surgeons, utilization of, 4:36

Standby Reserve, DOD Directive No. 1235.9 concerning policies of management and mobilization of, 9:26

Staphylococcal disease

management of, in infants and children, 9:3
materials, selected on, 10:31
pneumonia, clinical evaluation of 40 cases, 11:21

Streptococcus, beta-hemolytic, resistance of, tetracycline, 11:21

Strokes, in the young, spontaneous, 1:10

Submarine

medicine, nuclear program, opportunities open in, 8:22
medicine, training, information concerning recent revisions in, 9:22

Sunglasses, prescription, aviation, 6:22

Surgery

atrial septal defect, 5:19

bone, osteoma of parosteal, treatment of, 11:16

colon, obstruction due to carcinoma, study of 227

patients with acute, 8:13

fractures, multiple, early care of patient with, 3:22

gallbladder, cholecystitis, acute, 5:15

head and neck, malignant disease of, in childhood, 12:6

hernia, femoral, strangulated, review of 170 cases, 4:17

hernia, repair of, synthetic mesh in, 5:17

lung, pneumonectomy, in tuberculosis, 1:15

lung, resection, bilateral, function in, 10:14

lung, resection, segmental, for tuberculosis, 335 cases, analysis of, 8:11

lung, thoracotomy, for cystic disease, 9:9

nerve, tic douloureux, 6:13

ovary, castration in carcinoma, breast, 8:16

patella, removal of, in degenerative joint disease, 2:18

testicle, tumors, malignant, treatment of at Norwegian Radium Hospital, 9:12

thoracic, laryngeal trauma and its complications, 10:16

thyroid, carcinoma, papillary, treatment of, 3:14

varices, esophageal, intravenous pituitrin in treatment of, 4:15

Symposiums, medical for fiscal year 1960, 10:23

Systolic clicks, clinical, phonocardiographic, and hemodynamic evaluation of, 3:6
